# OUR VISION

The vision of Mangalayatan University (Jabalpur) is to become an institution of excellence in higher education and research. Our endeavor is to continuously contribute to, and strengthen the educational, industrial, social, and economical prosperity of the nation.

# OUR MISSION

- 1** Foster a **growth-oriented environment** focused on importing quality education to make students future-ready.
- 2** Deploy **modern equipment and technologies, and world-class pedagogical techniques** to deliver a curriculum focused on furthering innovativeness and creativity.
- 3** **Focus on research** and aim to make the institution a renowned centre of excellence.
- 4** **Provide equitable opportunities** to students from different financial backgrounds.
- 5** **Forge academic and corporate collaborations** with universities and institutions in India to keep opening newer horizons for development.

# CHANCELLOR'S MESSAGE

Dear Students,

We welcome you to the newly established Mangalayatan University Jabalpur – an institution of higher learning, encouraging innovation and creativity amongst students. Spread over a sprawling lush green campus with magnificent landscape, the University has the perfect ambience, thoroughly conducive for learning, dissemination and creation of new knowledge.

Mangalayatan University Jabalpur has been developed as a flagship institution of Sarvsahara Foundation, which is well-known for its academic excellence at Doctoral, Postgraduate, and Undergraduate & Diploma levels. Our infrastructure facilities, teaching methodologies and valuable academic rigor will make sure that Mangalayatan University Jabalpur attains a special place on the academic horizon and also in the hearts of those who live, learn and teach here.

We have well trained faculty resource to educate, train and inspire our students so that they are capable to accept the challenges of the global intellectual environment. Personally I see Mangalayatan University Jabalpur to impact global perspective and motivate students to achieve excellence. Furthermore, our efforts will be devoted towards connecting the Mangalayatan University Jabalpur with other like-minded Institutions. With an aim to broaden the perspective of our students and create a lasting, symbiotic association with them.

It is my pleasure to invite every aspiring student to be a part of Mangalayatan University Jabalpur. Here we believe in providing opportunities to the students for quality learning and encouraging them to explore new horizons so that they are able to lead in their chosen field and build a bright career.

**I wish you all the best in your future endeavours.**

**Prof. Dr. Panjab Singh**

**Chancellor  
Mangalayatan University  
Jabalpur**

# VICE CHANCELLOR'S MESSAGE

**“KNOWLEDGE IS POWER”**  
said **Bharat Ratna, Abdul Kalam**

Universities play crucial roles in shaping the future of the world through the medium of education in the form of knowledge creation. Also, it is of paramount importance that we keep alive our cultural ethos while harnessing the power of modern technologies in shaping a constructive future. I believe that a University is the highest temple of learning. Therefore, students and faculty must be provided with an enriching and empowering environment, which dynamically stimulates their inherent potential, leading to engage them in an outlook beyond the realms known to them, resulting in the creation of a powerful future, where the responsibility of shaping the society is freely and gracefully accepted by them.

Throughout the world, Universities function in a dynamic environment. The need to expand higher education with the impact of technology on the educational delivery, the increasing private participation in higher education, have necessitated marked changes in the Indian higher education system.

Therefore, it will be our endeavor to inculcate following core values amongst our students in service of the society:-

★ **Contributing to National Development.**

★ **Fostering Global Competence.**

★ **Ethics and Character Building,**

★ **Promoting Use of Technology**

★ **Quest for Excellence.**

## Prof. K.R.S. Sambasiva Rao

**Vice - Chancellor**  
**Mangalayatan University**  
**Jabalpur**

# PRO VICE CHANCELLOR'S MESSAGE

It gives me immense pleasure to welcome you to Mangalayatan University, Jabalpur. The University is emerging as a center of excellence for imparting quality education in various disciplines and at the same time working for a holistic development of the students in every aspect of their professional development.

We believe in developing young minds, to not just gain education, but imbibe a sense of commitment and responsibility in order to be able to contribute to themselves as much as to the society at large with their skills and personalities. The University has a mission to emerge as a world class Institution and has alliances with Global Peers and the India Inc. and other multinationals.

We at Mangalayatan are committed to maintaining high standards of campus discipline and providing student support services to the best of our abilities. The University has well qualified and dedicated faculty and staff who are consistently working for the welfare of the students.

We are all living in an era of unprecedented change and challenges. The current paradigmatic shift in education, calls for its pro-active role in the process of creating sustainable development and Higher Education Institutes have been called upon to contribute to this agenda through their expertise in academics, research and development. Mangalayatan University is facilitating the process of educational transformation in order to fulfill its role as a change agent for the society and providing opportunities for life-long learning and development of individuals.

**Best wishes for a bright future ahead.**

# ADMISSION PROCESS

## How to Apply

Admission to courses at Mangalayatan University are based on Entrance Examinations conducted by the University or by Central/State government agencies/ Other Organisations/PI. Each of these has a specified quota of intake. Seats left vacant in one category may be filled by admission in other categories. Candidates seeking admission at Mangalayatan University can fill form online

Candidates who wish to apply through online mode can fill up the Application form by clicking “**APPLY ONLINE**” link on the University website '[www.mangalayatan.ac.in](http://www.mangalayatan.ac.in)' and the payment can be made either by Debit card, Credit card, and Internet Banking.

Note: Those who are unable to make the payment online can send the payment to the University through a **DD of Rs. 500/-** in favour of Mangalayatan University Payable at Jabalpur.

### Completing the Application Form

- 1** Before filling of the application form, the candidates must *read the admission procedures* carefully and thoroughly.
- 2** All particulars in the application form must be *filled carefully* and legibly by the candidate.
- 3** *Upload the photograph* in the prescribed format and submit the form
- 4** *Payment* can be done in both mode *Offline and Online*

### Confirmation of Admission

After counselling, successful candidates will be given an offer of Admission.

On receiving the offer of admission, the candidate will be required to deposit the fees as mentioned on the website or in the Prospectus to confirm his/ her admission.

Upon this payment, the candidate will receive his Admission Letter containing the details of fee paid, allotment of hostel/ bus and date of commencement of academic session and other relevant information. The candidate will be required to produce this letter while coming to the campus for the orientation program.

The admission offered to the candidate who has been provisionally admitted to a program will stand cancelled if he/ she does not submit the relevant documents in original pertaining to admission (such as Transfer Certificate, Character Certificate etc.) to the Admissions Office within the stipulated time frame.

Admissions to various programs will be subject to verification of facts from the original certificates/ documents of the candidates. In case any discrepancy is noticed, even at a later point of time after admission, the management reserves all right to cancel the candidate's admission and such a decision shall be final and binding on the candidate. The fee deposited by such candidate will be forfeited.

### Cancellation & Refund Policy

All application for admission withdrawal/cancellation shall be submitted in prescribed format provided by the University.

The applicable amount of deduction shall be as per the below table depending upon date of withdrawal of prospective student.

The Refund policy on cancellation of seats will be done in accordance of UGC norms.

**Note :**

1. Annual Fees for above purpose includes Admission/Counselling fee, Annual Tuition fees, Development fees, and Academic Service fees for the Year.
2. Any scholarship, if granted for admission, will not be considered for calculation of Annual fees.
3. The dates mentioned in this Policy will apply irrespective of the date of admission.
4. In case the student reports for the Program and applies for withdrawal subsequently an additional amount of Rs.2,000/- on account of Joining Kit is deducted from refundable amount over and above as mentioned in table above.
5. In case, deductible amount is more than the amount paid by the student against Annual fees, differential amount will be adjusted from any other amount paid by the student or he/ she has to pay the dues.

# DIRECTOR'S (R & D) MESSAGE

Greetings,

It is with great pleasure and enthusiasm that I extend a warm welcome to all prospective students considering Mangalayatan University for their higher education journey. At Mangalayatan University, we are dedicated to fostering a culture of innovation, inquiry, and academic excellence through our robust research and development initiatives. As the Director of Research and Development, I am committed to providing our students with unparalleled opportunities to engage in cutting-edge research, explore new frontiers of knowledge, and contribute to the advancement of their respective fields.

Our University is home to world-class research facilities, renowned faculty members, and interdisciplinary research centers that offer a conducive environment for academic exploration and discovery. Whether you are interested in pursuing research in sciences, engineering, social sciences, Law, Pharmacy, Forensic Sciences, humanities or any other field, we provide the necessary support and resources to fuel your intellectual curiosity and scholarly pursuits.

Research at Mangalayatan University is not just limited to the confines of the classroom; it is an integral part of our educational philosophy. We encourage our students to actively participate in research projects, collaborate with faculty mentors, and present their findings at national and international forums. Through hands-on research experiences, students develop critical thinking skills, problem-solving abilities, and a deeper understanding of their chosen discipline, preparing them for success in the global marketplace.

I invite you to explore the wide range of research opportunities available at Mangalayatan University and discover how you can make a meaningful contribution to the advancement of knowledge and society. Our prospectus provides comprehensive information about our research programs, faculty expertise, and ongoing research projects. Should you have any questions or require further assistance, please do not hesitate to contact us.

Join us in our quest for knowledge, innovation, and academic excellence. Together, let us embark on a journey of discovery and create a brighter future for generations to come.

The department emphasizes on complete personality development and research exposure. We are dedicated to offer value based education through modest intelligence with well-defined discipline.

I welcome all the students and extend my warm wishes to one and all associated with Department of Pharmacy."

The profession of pharmacy has developed a lot of job opportunities in the field. Department of Pharmacy, MUJ is the right destination for students and scholars with vocation ambitions in the field of pharmacy.

**Prof. Dr. Vikas Pandey**  
Dean  
Faculty of  
Pharmaceutical Science

## GRADUATE DEGREE PROGRAMME OFFERED

Programme	Duration	Eligibility
<h3>Bachelor in Pharmacy</h3> <p>Bachelor of Pharmacy is an undergraduate program that provides students with adequate knowledge and skills to practice pharmacy. As the program provides a balance between theoretical knowledge and practical skills this is one of the most popular programs in some of the best pharmacy colleges in Maharashtra. The program covers subjects like human anatomy, biochemistry, mathematics, pharmaceutical biotechnology, and physiology to provide students with industry-relevant exposure.</p>	4 years (8 Semesters)	Students can opt for B.Pharm if they have completed 10+2 with minimum 50% aggregate marks with Science Stream (PCB/PCM) English is one of the compulsory subject.

### CAREER OPPORTUNITIES

After completing this program, students can be hired as pharmacists in fields like biotechnology, medicine technology, private and government hospitals, private dispensaries, biomedical research, and testing labs. They have a bright future in the industry and can rise up the ranks as they gain more experience and exposure in the industry.

## DIPLOMA PROGRAMME OFFERED

Programme	Duration	Eligibility
<h3>Diploma in Pharmacy</h3> <p>D.Pharm is an undergraduate program that students can pursue after 12th class. This is a foundation program usually spread across 2 years. The course helps students gain basic knowledge regarding principles of pharmacy, its fundamentals, and understanding regarding medicines.</p>	2 years (4 Semesters)	Candidates who have completed 10+2 with PCB/ PCM as a compulsory subject can apply for this program.

### CAREER OPPORTUNITIES

After completing this program students can become licensed pharmacists and work in private pharmacies, hospitals, and clinics. They can also become entrepreneurs and invest in a pharmacy store of their own where they can sell medicines on prescription and over the counter drugs.

# FACULTY OF Engineering & Technology

"Welcome to the Computer Science and Engineering Department at Mangalayatan University Jabalpur, where we are personally committed in nurturing engineers equipped with a diverse skill set, blending technical prowess with managerial acumen and social responsibility, all aimed at contributing to our nation's progress. Our department places paramount importance on every facet of computer science, from Computer Networks to Mobile Communication, Algorithm Design to Advanced Database Systems, ensuring a comprehensive education for our students.

We take pride in our proactive approach to enhancing students' soft skills, analytical abilities, and verbal communication, preparing them to confidently navigate the competitive corporate landscape. Through dedicated teaching and hands-on practical work, we foster innovation, as evidenced by our students' award-winning final year projects.

With a focus on quality education and supported by excellent infrastructure and experienced faculty, we are committed in providing an enriching learning environment. Our teaching philosophy, combined with practical experience gained through industrial training, empowers our students to meet the challenges of the IT industry.

Together as a team, we are steadfast in our resolve to elevate the Department to new heights of success and distinction, preparing our students to excel in the face of future challenges."

**Dr. Dinesh Mishra**  
Associate Dean  
IT & Engineering

## Key Highlights –

Well-equipped and highly configured Computer Labs

# FACULTY OF Social Science & Humanities

“The unexamined life is not worth living” – Socrates.

As a Humanities student, you'll bring artistic, historical, critical and philosophical reflection to bear while you explore and examine our past and present, our thought, our cultures, our economy and societies, as well as our existence. You'll learn about the world and learn about yourself.

The question isn't "What can I do with a Humanities education?" It's "What can't I do?"

Employers around the world choose Humanities graduates because of their adaptability, flexibility, empathy and critical thinking skills. Humanities is essential knowledge in the 21st-century workplace.

FACULTY OF

# AGRICULTURE

"I am delighted to extend a warm invitation to you to explore the vibrant fields of Agriculture and Horticulture at Mangalayatan University. We offer comprehensive B.Sc and M.Sc programmes that are tailored to equip students with the knowledge, skills, and practical experience necessary to excel in these dynamic industries.

We believe in the importance of hands-on learning experiences. Our programs incorporate extensive fieldwork, laboratory experiments, and practical training, allowing students to gain valuable hands-on experience and apply their knowledge in real-world settings.

Whether you're passionate about crop production, soil science, plant breeding, or landscape design, our course work caters to diverse interests and career goals as our curriculum encompasses the latest advancements and trends in both fields.

Our department is committed to fostering a culture of innovation and research excellence. Students have the opportunity to engage in cutting-edge research projects alongside experienced faculty members, contributing to advancements in the fields of agriculture and horticulture.

Whether you're interested in sustainable farming practices, agribusiness management, or landscape architecture, we have the resources and expertise to help you succeed. I look forward to welcoming you to our vibrant academic community and witnessing your growth and success in the fields of Agriculture and Horticulture."

**Prof. S.P. Tiwari**  
Dean  
Faculty of Agriculture

The department's well qualified, experienced and dedicated faculty & staff are constantly working to groom students to meet the highest standards of the agricultural oriented industries.

## GRADUATE DEGREE

	Scholarship for Ward of Freedom fighter & Defence Personnel.	<b>25%</b>
	Scholarship for Differently - abled Candidates	<b>25%</b>
	Scholarship for Siblings of Students	<b>25%</b>

# Career Advisory and Placement Cell

At the Career Advisory and Placement Cell of Mangalayatan University, we are dedicated to nurturing not just academic excellence but also the career aspirations of our students. Our Career Advisory and Placement Cell (CAPC) serves as a guiding beacon, illuminating the path to professional success for each student.

## Here's what sets our CAPC apart

### Personalized Career Guidance:

Our experienced counselor provides personalized guidance to students, helping them identify their strengths, interests, and career goals. Through one-on-one sessions, we empower students to make informed decisions about their future.

### Comprehensive Training Programs:

We believe in equipping our students with more than just academic knowledge. Our comprehensive training programs cover essential employability skills such as communication, leadership, problem-solving, and technical expertise, ensuring our students are well-prepared for the competitive job market.

### Mock Interviews and Resume Building Workshops:

To boost students' confidence and readiness for the job market, we conduct mock interview sessions and resume building workshops. These interactive sessions provide students with invaluable feedback and insights to refine their interview skills and craft compelling resumes.

### Industry Partnerships:

We have forged strong partnerships with leading companies and organizations across various sectors. These collaborations offer our students invaluable opportunities for internships, projects, and placements, ensuring they gain real-world experience and establish valuable connections in their field of interest.

### Impressive Placement Records:

Our track record speaks for itself. With a focus on grooming students for the demands of the industry, we have achieved remarkable placement results, with a high percentage of students placed in top-tier companies and organizations.

**At Mangalayatan University, we are committed to your professional growth and success. Join us on this journey, and let us help you turn your aspirations into achievements.**

# ABOUT NSS & NCC

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs and Sports. It provides opportunity to students at intermediate, graduate and postgraduate levels at college and University level in India to take part in various government led community service activities and programs.

*The sole aim of NSS is to provide hands on experience to young students in delivering community service.*

The National Service Scheme of our University started in the year 2021. The main objective of the NSS is to provide opportunity to the students to understand the community and to apply their education in finding practical solutions to the problems faced by the individuals and the community at large. From the beginning the NSS unit of our University is striving to achieve the objectives.

The unit has rendered services to the community by participating and involving in various programs of social services and national development.

Events such as National Youth Day, Distribution of warm clothes, Awareness program for rural women and program on sexual harassment and ragging, Martyr's Day, Inter College Ad-mad and Debate competition, World AIDS Day, COVID Vaccination Program are the few out of many which was hosted by the NSS unit of Mangalayatan University. The University is fortunate enough to have a responsible, committed and highly experienced NSS Officer, Dr. Prakash Mishra.

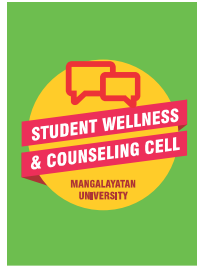

**The University has also started NCC programme under which it is offering**

**90 Seats**  
for the year 2024.

# Life @ Mangalayatan

## MANGALAYATAN UNIVERSITY CULTURAL CLUB

At our campus, we are committed to providing a safe, inclusive, and nurturing environment for all our students. We take pride in maintaining a ragging-free campus, ensuring that every student feels secure and respected.

We strictly adhere to the anti-ragging regulations prescribed by the University Grants Commission (UGC). Our comprehensive anti-ragging policy includes:

**Zero Tolerance:** Ragging in any form is strictly prohibited within the campus, hostels, and affiliated institutions.

**Awareness Programs:** Regular awareness programs are conducted to educate students about the evils of ragging and the severe consequences it entails.

**Anti-Ragging Committee:** A dedicated Anti-Ragging Committee is in place to monitor and address any incidents of ragging. This committee includes faculty members, administrative staff, and student representatives.

**Grievance Redressal:** A swift and transparent grievance redressal mechanism is established to handle complaints related to ragging. Students can report incidents anonymously through multiple channels, including a 24/7 helpline and online portal.

**Strict Enforcement:** Disciplinary actions, including suspension, expulsion, and legal proceedings, are enforced against those found guilty of engaging in ragging activities.

**Reporting and Support:** We encourage students to report any incidents of ragging immediately. Our support system ensures confidentiality and provides assistance to victims of ragging, helping them cope with any distress caused.

Commitment to a Safe Learning Environment

Our University, is dedicated to fostering a harmonious academic atmosphere where every student can thrive without fear.

Together, let's build a safe and respectful community at Mangalayatan University, Jabalpur.

# Facilities @ Mangalayatan

## LIBRARY

The mission of the University's central library is to provide seamless access to information through innovative services, to facilitate intellectual exchange, and to foster interdisciplinary research. Mangalayatan University has a well-stocked and efficiently maintained library with computerized and user-friendly software to aid in exploring and accessing a wide variety of literary resources. The library constantly gets updated with new arrivals and books recommended by faculty and students. It subscribes to a wide range of national and international journals that are of special interest to the faculty and the research scholars.

## MENTOR - MENTEE PROTÉGÉE

Mentoring fosters a sense of bonding that builds reciprocal relationship over the period between mentors and mentees. Faculty members at MUJ endeavour to act as a lifelong friend and guide to each of our students so that they are able to leave their cocoon and fly high towards attaining their goals.

## ECO FRIENDLY & CLEAN CAMPUS

The University campus is calm and serene, away from the husslebussle and pollution of the city. It has an intellectual ambience ushered by a hilly landscape, and the plantating of trees and orchards having rest spaces under. Water bodies have been planned and will soon be commissioned to add to the tranquillity and aesthetics of the place. The Agriculture department has its own crop cafes and field laboratories which add to the variety of vegetation in campus.

## UNIVERSITY NEWS LETTER – “CAMPUS DRONE”

Students are full of thoughts and ideas which need to find a means of expression. The University News Letter publishes articles by students as well as reports the different curricular and extra-curricular events and activities on the campus. The newsletter is an enterprise of a student committee working under the supervision of faculty members.

## SPORTS, RECREATION AND CULTURAL ACTIVITIES

Aligning with the spirit of holistic education- sports, recreation, arts and cultural activities occupy a prominent place in the student life at the University. There are Organizing Committees and Student Societies for promoting wide variety of student interests and activities such as Performing Arts, Cultural Activities, Indoor and Outdoor Sports, Literary Works etc. These student bodies are run by students themselves, under the mentorship of faculty members. Students therefore have a choice of avenues to give expression to their creative urges, develop their hobbies, or hone their talents. Student Societies organise events in the areas of their interest, whereas the University organises competitions at the local and national level to showcase the talents of the students.

## CAFETERIA

The University Cafeteria is probably the most welcoming place for a student on campus - a place with modern amenities, wifi and Television - a place to unwind with food and friends - a place to gossip and share lighter moments. A students' day at the University cannot be complete without a visit to the cafeteria, to refresh, re-charge, socialize or to have a peaceful moment in the corner with one's assignments. Birthday parties, celebrations, friendly treats, or even a quick-delightful bite of samosa and chutney is something to look forward to every day. A delightful menu of food items served under hygienic conditions and comfortable lounges makes the cafeteria a 'must-visit' place in the University.

## A Nodal Center for Virtual Labs in Madhya Pradesh

Under The National Mission on Education Through ICT

# Industrial Collaborations

Quality education cannot be achieved without practical training. The importance of vigorous training under real life setting can be well understood in the context of a competitive environment where every enterprise is result oriented and demands output. In order to meet expectations and demands of the dynamic corporate world.

Mangalayatan University Jabalpur works in collaboration with industry and other employer organizations while seeking to bridge the gap between students and job market through involvements of our corporate network both curriculum review and competency building through internship.

The linkage with different sectors of the corporate would enables MUJ to produce efficient and job ready professionals for the market. The top companies are always craving for efficient professionals with a combination of sound conceptual knowledge and exposure to the professional practices so that industrial collaboration helps Mangalayatan University Jabalpur to fulfill the requirement of the market with its graduates and their employable competencies.

The University provides exposure to the world of work and experiential knowledge to its students by organizing industrial visits, internship programmes and mini projects. Experts from the industry and other employer organization are regularly invited to interact with the student.

The University is not only building and maintaining linkages with various enterprises but also providing a unique platform to check and improve the training curriculum of various fields of studies and thereby set new standards of quality.

## The main objectives of MUJ Industrial Collaboration are to :

- Establish linkages between industries/ trade/academic faculties and students.
- Enable exchange of information between academicians/universities and industries.
- Review from time to time the curricula under various fields to identify the emerging requirements and enable students to face challenges in a complex work environment
- Strengthen campus placement efforts.
